Dear Dr. Moore:

The U.S. Army Corps of Engineers, Alaska District is forwarding a copy of the draft report entitled "1999 Phase II Remedial Investigation, Northeast Cape, Alaska," dated January 2000. Also enclosed is a copy of the document entitled "Final Work Plan Addendum, 1999 Phase II Remedial Investigation, Northeast Cape, St. Lawrence Island, Alaska", dated July 30, 1999. These documents are forwarded for your use in performing a health assessment for residents of St. Lawrence Island. The draft report is the supplemental report referenced in letters to you dated October 19, 1999 and November 16, 1999.

These documents are also being provided to the tribal councils, municipal governments, and village corporations at both Savoonga and Gambell. In addition, copies are being provided for review by members of the newly formed Restoration Advisory Board (RAB) at Saint Lawrence Island. We have requested review comments by March 6, 2000, and have a tentative review conference set for March 13, 2000 at the Alaska District office. The next RAB meeting is scheduled at Savoonga on February 17, 2000.

If you have any questions concerning the enclosed documents or any other Northeast Cape RI/FS issues, please feel free to contact me at (904) 753-5606.

Sincerely,
