Dear Jeff:

Enclosed for your records is a copy of the final document entitled "Northeast Cape Sites - Final Report, GIS-Based Historical Photographic Analysis" prepared by the U.S. Army Corps of Engineers Engineer Research and Development Center, Topographic Engineering Center, dated August 2001. This document gives a visual overview of the Northeast Cape site through time, based on a careful examination of historical aerial photography, satellite imagery, maps, and ancillary textual documentation.

If you have any questions regarding this document, please contact me at (907) 753-5742.

Sincerely,

A handwritten signature in cursive script that reads "Lisa K. Geist".
