Dear Mr. Brownlee:

I'm sending you a copy of the updated version of the Technical Memorandum on Background Determination for Risk Assessment prepared for us by MWH Americas, Inc. Included with this Memorandum is a CD that we burned which should contain all the backup data and computations from which this Memorandum was produced.

Because this is necessary for the Risk Assessment that MWH is preparing for NE Cape, your acceptance/disapproval of these revised background values, at your earliest convenience, would be most appreciated. If you have any comments please contact either Lisa Geist or me. As always, I can be reached at (907) 753-2689 or e-mail me at [carey.c.cossaboom@poa02.usace.army.mil](mailto:carey.c.cossaboom@poa02.usace.army.mil).

Sincerely,

Carey Cossaboom  
FUDS Project Manager
