Dear Mr. Selig:

Please find copies of comments to the *Draft* 2001 Phase III Remedial Investigation and Risk Assessment Update for Northeast Cape, St. Lawrence Island, Alaska, dated August 2002. The comments are from the ADEC, RAB members Pam Miller and June Martin, and from the TAPP grant provider, Dr. Ron Scrudato. The original copies should remain in the Information Repository so that anyone can view them.

Typically, I don't furnish comment copies without responses, but I have been asked to provide these right away. Responses to these comments and other comments I receive will be supplied at a later date.

In Gambell and Savoonga, please notify RAB members that comments are available at the Information Repository.

Call me at (907) 753-2689 if you have any questions. Or via e-mail at: carey.c.cossaboom@poa02.usace.army.mil

Sincerely,

Carey Cossaboom
FUDS Project Manager
