Dear Mr. Pungowiyi:

Enclosed for your review is a copy of the Proposed Plan for the Northeast Cape Formerly Used Defense Site (FUDS) on St. Lawrence Island, dated July 2007. This report presents the Corp's proposed remedial alternatives for cleaning up contaminants at this site. This Proposed Plan includes alternate cleanup levels that were calculated using specific results from the Remedial Investigations and the Risk Assessment.

The Corps is interested in hearing your comments regarding this plan. We held a Public Meeting to discuss the Proposed Plan on July 24 in Savoonga. The comment period for this report ends September 30.

If you have any questions, please contact me at (907) 753-2689, or by e-mail at carey.c.cossaboom@poa02.usace.army.mil.

Sincerely,

Carey Cossaboom
Project Manager
