Dear Mr. Brownlee:

Enclosed for your review is a copy of the Draft Final Decision Document (DD) for the Northeast Cape FUDS CON HTRW project, Site 7 Cargo Beach Landfill, St. Lawrence Island, Alaska. This DD presents the U.S. Army Corps of Engineers (USACE) selected remedy for environmental issues at this Northeast Cape project site, and runs parallel with the HTRW DD that we made available to you the second week of September, 2008.

The Corps is seeking comments on this document. To assist us in answering your comments and keeping track of responses, I ask that you use the comment templates in Microsoft WORD that we have used in the past. If you do not have an electronic copy of that template, please contact me and I will e-mail it to you.

If you have any questions, please contact me at (907) 753-2689, or by e-mail at [carey.c.cossaboom@usace.army.mil](mailto:carey.c.cossaboom@usace.army.mil).
