Re: ADEC receipt of Final Site 7 Landfill Cap Construction Complete Report

Dear Carey Cossaboom:

Thank you for providing the Alaska Department of Environmental Conservation Contaminated Sites Program (ADEC) a copy of the Final Site 7 Landfill Cap Construction Complete Report dated May, 2010. ADEC is accepting and filing this report as the final copy on record. Please continue to keep ADEC informed regarding the 2010 monitoring and status of the landfill cap; especially in regards to the cap's integrity and the confirmed establishment of a 70% uniform perennial vegetative cover (per the requirements of closing the Storm Water Pollution Prevention permit). Please contact me at 907.269.3053 or at curtis.dunkin@alaska.gov if you have any questions.

Sincerely,

Curtis Dunkin
Environmental Program Specialist
