David Zimmermann  
PRC Environmental Management, Inc.  
1411 4th Ave.  
Seattle, Wa 98101

The following is the latest work assignment submitted to PRC. Please complete preliminary HRS scores on the following sites:

- USAF - Galena AFS
- USAF - Shemya AFB
- USAF - Murphy Dome
- NAVY - White Alice Site, NE Cape
- USFWS - Amchitka Island
- FAA - Fire Island Navigation Report
- FAA - Northway Air Navigation Station
- COE - Bonneville Dam

If information is missing that is essential to the completion of a preliminary score, please notify me immediately. If the information is readily available PRC may be able to collect it with prior approval from me. If the information is not easy to obtain a deficiency letter will have to be sent to the federal facility responsible for the submittal.

All preliminary scoring is considered confidential and not subject to release. As per the work assignment, preliminary scores should only be completed on sites determined by EPA. If sites include any confidential information it should be treated as such. If you have any questions please give me a call.

Sincerely,

Mark Ader
