ALASKA:

COMMENTS:

AK6170000164 **USNAVY NORTHEAST CAPE ST.LAWRENCE ISL**
70 MI E OF SAVOONGA AT NE CAPE
SAVOONGA, AK 99769
180 NOME C.A.

Do not change the **CITY NAME** of SAVOONGA in the CERCLIS Location Screen. Change **ADDRESS NAME** to read as shown, to better identify the site location. Change **COUNTY NAME** from **BERING STRAITS** to **NOME C.A.** in CERCLIS Location Screen.. (USGS National Atlas, on-line)

Until January 2002 the **CITY NAME** was NORTHEAST CAPE, 99763. in CERCLIS. (CERCLIS printouts, 1993, 1994, 1996, 1997, 1998, 2000, 2001, January 2002).

Add to Comment Field in CERCLIS Location Screen:
ON 05/20/02 THE CITY NAME FOR THE SITE WAS CHANGED FROM NE CAPE, AK 99763, TO SAVOONGA TO BETTER IDENTIFY NEAREST CITY TO THE SITE LOCATION.

Currently the **CITY NAME** is NE CAPE in the CERCLIS Discovery Screen and SAVOONGA in the CERCLIS Location Screen, which is acceptable.

Since 1998 the **COUNTY NAME** was changed from NOME C.A. to BERING STRAITS, which is in error. (CERCLIS printouts, 2000, 2001, January 2002) (USGS National Atlas, on-line) .

Currently the **COUNTY NAME** is in NOME (correct) in the CERCLIS Discovery Screen, and BERING STRAITS (incorrect) in CERCLIS Location Screen, The incorrect change may inadvertently have been made during the site reassessment process, but needs to be correct as listed above.
